SUMMER JOURNALISM WORKSHOP 2021

*** for qualifying high school students**

Supported by
**Hearst
Foundation,
Inc.**

Montclair State University, **June 27- July 1**

FIVE-DAY journalism and college preparation program for students from select area high schools. Students receive **hands-on training** in news reporting and exposure to technology, cameras, and other storytelling tools, as they actively participate in broadcasting, digital media, and multi-platform journalism. **All-expenses paid for qualifying students from underserved, low-income communities.**

- Study with SCM professors, learn from award-winning industry professionals
- Learn skills in scripting, news writing, blogging, photo, video, radio, TV, digital media
- Experience college campus life, sleep-over in college residence hall
- Learn areas of study in media & journalism, discover job opportunities in related fields
- Cover NJ JACKALS baseball at Yogi Berra Stadium
- Screen documentary films by recent alumni
