Phone / cell number: _____ Email address: _____

To apply for this program, you must meet the following qualifications:

- You must currently be a sophomore or junior in high school
- You must live in the United States
- You must have at least an unweighted 3.0 grade point average (out of 4.0)
- You must write a short essay highlighting a news story you have recently been following in the media and discuss its significance and impact on you.

In an effort to provide access to communication and media education and exposure to related professions, **qualified students must have financial need.**

All financial information will remain **CONFIDENTIAL.**

Total family income (annual): _____

Household size: _____

For your child to qualify and attend the program, the combined income of custodial parent(s)/guardian(s) plus child support payment, if any, must not exceed \$45,000.

The information above is accurate and can be verified:

Parent / Guardian Signature: _____

If you are planning on sending this application back via mail, please ensure you include the following essays in your documentation.

- 1) In about 150 words, tell us why you are interested in this summer program and what you think you might gain from the program.
- 2) Please write a 500-word essay answering the following question: Tell us about a news story you have recently been following in the media. What is the significance of this story to you? What impact has the story had on you?
